

Pass the Torch Presented By:

EnCorps Teachers Program: The EnCorps Teachers Program helps experienced science, technology, engineering and math professionals discover second careers as math and science educators in California's under-resourced middle and high schools. Learn more at www.encorpsteachers.org.

Silicon Valley Education Foundation: Silicon Valley Education Foundation focuses on raising student performance in the critical areas of math and science across all 33 Santa Clara County school districts. SVEF's goal is to be the leading advocate for public education in the region. Beyond serving students, teachers, and administrators, SVEF provides value to the larger community by making investing in education easy. Learn more at www.SVEFoundation.org.

Agilent: Agilent Technologies Inc. (NYSE: A) is the world's premier measurement company and a technology leader in communications, electronics, life sciences and chemical analysis. The company's 16,000 employees serve customers in more than 110 countries. Agilent had net revenues of \$4.5 billion in fiscal 2009. Information about Agilent is available on the Web at www.agilent.com.

Michelle Lyle Jaime Escalante Legacy Award Winner

Michelle Lyle is a 4th and 5th grade teacher at Northwood Elementary School in San Jose. She is in her ninth year of teaching 4th grade at Northwood and is just a few weeks shy of finishing her 21st year of teaching.

Ms. Lyle previously worked in the Morgan Hill Unified School District for twelve years teaching grades 7 through 9 in various subjects, including Math, Science, English, History, Social Science, Physical Education and elective classes. During this time, she also served as the Athletic Director and Associated Student Body Director.

Ms. Lyle received her B.A. in Creative Arts from San Jose State University and her teaching credential from National University. She also has a Cross-Cultural Language Acquisition Degree (CLAD) and specializations in Reading Instruction for grades 4 through 8. She has been on several influential committees, including the District Curriculum Council and Benchmark Assessment Task Force, School Leadership and Administrative Leadership Training Program.
