

Silicon Valley Education Foundation has been partnering with school districts since 2008 to offer direct-service classes like Elevate [Math], a yearly summer intervention program to prepare students to successfully complete their next level Common Core math course. Our newest offering is **[Computer Science] Innovate, [CS]I**. Stepping into our fifth year, we will be using a curriculum written by Microsoft and curated by our highly experienced curriculum team.

[CS]I offers programs for rising 7th-10th graders.

<p>Professional Learning</p>	<ol style="list-style-type: none"> 1. Facilitator & Coach Planning <ul style="list-style-type: none"> ○ Facilitator Training March 5th, 8:30am - 12:30pm ○ Coach Workshop TBD 2. Assist with Teacher PL (attendance required at all PL sessions) <ul style="list-style-type: none"> ○ Dates TBD 3. Lead Professional Learning Communities Host three online PLC sessions with your teacher team: one before classes begin and two during the summer class dates 4. Program Debrief (TBD)
<p>Program Commitment</p>	<p>The 19-day (middle school) and 24-day (high school) programs will run approximately mid-June through mid- August. Coaches will be responsible for 8-10 teachers.</p> <ol style="list-style-type: none"> 1. Class Observations: Coaches will be trained on an Observation Protocol and must observe/debrief each teacher’s class at least 2 times during the program. 2. Program Meetings: Coaches must attend all meetings, including an end of program feedback session
<p>Location</p>	<p>Each class is held at a specific site determined by each district.</p>
<p>Compensation</p>	<p>\$6750 stipend (payroll taxes apply) Referral Bonus: Receive a \$100 bonus if a referred teacher <u>completes</u> the summer program.</p>
<p>Non-Negotiable</p>	<ul style="list-style-type: none"> ● Attendance at coach training ● Participation in Professional Learning Sessions ● Lead 3 PLCs ● Observe each teacher's class at least 2 times during the program ● Attend all meetings, including end-of-program debrief
