

## 2023 [CS]I Teacher Job Description

Silicon Valley Education Foundation has been partnering with school districts since 2008 to offer direct-service classes like Elevate [Math], a yearly summer intervention program to prepare students to successfully complete their next level Common Core math course. Our newest offering is **[CS] Innovate, [CS]I**. Stepping into our fifth year, we will be using a curriculum written by Microsoft and curated by our highly experienced curriculum team.

**[CS]I offers programs for rising 6th-10th graders.**
